*Time: 2000 Location: COB 118*

1. Opening Statements
  - a. Ben Glattstein memorial is at 2pm at the new maintenance hangar at Embry-Riddle Aeronautical University
  - b. Club members, please wear a club shirt, preferably blue or red Keystone shirts
  - c. JD still working on setting dates for judging school, probably one of the last weekends in February
2. Pitts
  - a. Currently down for 1000 hour and other misc items, will be up for the memorial
3. Gliders
  - a. Pawnee is down for re-fabric
  - b. Operations will not be affected because we will be using Pat Anderson's Pawnee
4. Cub
  - a. Getting new brake pads and rudder return springs
  - b. Most issues with the radio have been taken care of
  - c. Be aware not to move the throttle from idle to full forward too fast in the cold weather because of potential engine failure on takeoff
5. Finances
6. Safety
  - a. Safety test will now be tracked by myFBO
7. Public Relations
  - a. Trying to get some sponsorships from the Starke area for when we go out there for Keystone, we might have some more support
8. **Action Items**
9. **Final Items**
