Time: Location: ERAU, COB Rm. 118

1. Opening Statements

2. Pitts

PTT replaced

TX inspected

2 parachutes in repack currently

Atlanta - Who's going?? Need more member participation in contests!

3. Gliders

Cirrus in GA

Radio for the K-21? Need to find it and put it in!

July contest at Pierson coming up

SSA/club membership?

Paperwork needs more organizing - Credit card organization

4. Cub - oil just changed, 100 hour coming up soon!

Designing a manual on how to do an oil change

Re-fabric? - design a presentation to convince people to pay for it/donate funds.

Need to start it soon so that it can be back up and flying by the Fall

Cub Club? - Elli will investigate

5. Finances

A spot is opening up in the hangar - need to find another person

2 big donations

- Glider paid for!!

- Durango!!

6. Safety

New vinyl letters

Accelerometer

Make a charging station with fire extinguisher and bucket of sand on standby

Weight issue -If you are overweight/ underweight, you CAN NOT fly.

For intro rides - people need to be briefed beforehand about the weight limitations

Club needs more thorough communication

The drive to create fun, social events is lacking - need more fun stuff!!

Ponso is peacing out! Bring it new officers!

7. Public Relations

8. Action Items

Alain will write an Email briefing instructors on weight rules

9. Final Items
